

BLACKTOWN PISTOL CLUB NEWS

Information for Members and their Guests

Message from the President

It's great to see Blacktown members out and competing at different shooting disciplines so early in the year. By the time you see this report the SSAA Action Match State Titles to be held 13 -14 February would have been completed. I wish all the Blacktown members a successful and enjoyable shoot.

The Blackpowder Back to Basics event will be our next event and the last few times it was run everyone had a blast.

The IPSC State Titles will again be at Blacktown, this event brings in many competitors from all around the country and is a large revenue raiser for the Club.

The Highlight event this year is the World Championships for Action Match. This is a USA NRA sanctioned event. The SSAA won the right to conduct the event in Australia and Blacktown Pistol Club will be hosting the event.

Keep up the shooting and support for your club, there will be plenty of opportunities this year to help out.
Craig Ginger
President.
